

IN THE UNITED STATES DISTRICT COURT
FOR THE SOUTHERN DISTRICT OF ALABAMA

MOBILE DIVISION

CASE NO: 1:06-CR-00114-001

IRENE SANCHEZ-COLIN,

PETITIONER

VS.

UNITED STATES OF AMERICA,

RESPONDENT

FILED OCT 31 14 PM 1:10 USMCA

MOTION FOR REDUCTION OF SENTENCE PURSUANT TO 18 U.S.C. §
3582(c)(2) IN LIGHT OF RETROACTIVE EFFECT OF AMENDMENT 782

On July 18, 2014, the United States Sentencing Commission,
unanimously agreed to the retroactive application of Amendment
782, subject to a special instruction. Amendment 782 generally
revised the Drug Quantity Table and chemical quantity tables
across drug and chemical types.

The proposed Amendment also provides a new application note
clarifying that this special instruction does not preclude the
Court from conducting sentence reduction proceedings and entering
Orders, before November 1, 2015, provided that any Order reducing
the defendant's term of imprisonment has an effective date of
November 1, 2015, or later.

In light of the aforementioned synopsis, the petitioner, IRENE SANCHEZ-COLIN, humbly comes before this Court, proceeding Pro Se, requesting retroactive application of Amendment (782), as she qualifies under §1B1.10. In support thereof she states:

On, NOVEMBER 15, 2006, petitioner was sentenced to a term of 324 months, followed by 5 years of Supervised release. Petitioner was convicted of violating Federal Statute(s) 21:846 Conspiracy to to PWID METHAMPHETAMINE & 21:841(A)(1)PWID METHAMPHETAMINE

Under the discretion of the Honorable Judge, the Court makes two determinations in deciding whether or not to modify a sentence under 18 U.S.C. §3582(c)(2). First, what sentence would have been imposed had the retroactive Amendment been in effect at the time the defendant was sentenced. Second, leaving untouched all other previous factual decisions concerning particularized sentencing factors, what sentence it would have imposed had the new sentencing range been the range at the time of the original sentencing. See U.S. vs Wyatt, 115F.3d 606, 609 (8th Cir. 1997)

In the case of the petitioner, under the factors set forth in §3553(a), defendants low level role in the underlying offense, does not pose any threat to public safety. Petitioner's case was not one of a violent nature. Also, as petitioner is a non-citizen of America, she would not qualify for any Re-entry programs, or halfway/house consideration. Wherefore, expedited processing of the hereto motion, would be a substantial saving to the United States, as petitioner, more than

3.

likely , would be deported.

In conclusion, petitioner, IRENE SANCHEZ-COLIN respectfully requests that this Court grant her Motion for Reduction of Sentence pursuant to 18 U.S.C. §3582(c)(2), as she meets the qualifying criteria for eligibility of the retroactive application of Amendment (782), in effect, November 1, 2014. Petitioner has attached a copy of all post-sentencing rehabilitation, as well as her conduct record.

Respectfully submitted,

Sanchez Colin Irene

Re: Irene Sanchez-Colin #09416-003
Case No; 1:06-CR-00114-001

Honorable Judge Granade,

Good day to you Your Honor, I come to you with a contrite heart, humbly requesting consideration of the retroactive effect of Amendment (782), pursuant to the attached 18U.S.C. §3582 Motion. I am a non violent offender, with no ties to any drug cartels, or major crime families. I have maintained an exemplary discipline record, and remain respectful of authority and other inmates.

I ask that you accept my apology for my role in the offense. I have made some bad decisions in my life, and for that I truly regret the harm I may have inadvertently inflicted upon others as well as my family and I have from the beginning, accepted responsibility for my actions.

After I was sentenced, I made a conscious decision to work on my inner and outter self. I would not let this sentence put me in dispair. I saw this sentence as a way to better myself with education and knowledge. By taking Life management skills, GED, English, Computer Keyboarding, Basic Grammar, and other clases that teach about the consequences of drug usage and the damage done to families and friends, when one is incarcerated due to usage or the distribution of. It is sad when you learn that all actions create reactions. Some more detrimental than others. I have attached copies of what I have achieved thus far.

In closing Your Honor, I simply request your compassion and mercy in my plight. I made a mistake, and said mistake embarrassed myself and my family. I am truly ashamed of the person I was. But this time has made me think, and I came to the conclusion long ago, this is not the life for me, and I will never come back again. I do not say this lightly. Allow me the chance to go home sooner than later, back to my family, and make them proud. I am truly sorry for my actions, and pray Your Honor forgives me, for my past transgressions, as I have learned the beginning of change is self acceptance, and self forgiveness.

Thank you for your time.

Respectfully submitted,

Irene Sanchez Colin
